This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

On the Corrupt practices bill.

Edmunds, George F. Corrupt political methods.

(*In* The Forum, vol. 7, June, 1889, pp. 349–360.)
Concludes with the suggestions for reform, relating largely to election laws and to naturalization and education.

Electioneering agency.

(*In* The Spectator, vol. 56, June 9, 1883, pp. 731–732.)
On the Corrupt practices bill.

Essay competition. "The best suggestion for the amendment of our election laws, with a view to diminish corrupt practices and to cheapen the cost of election."

(*In* Speaker, n. s., vol. 15, Feb. 16, 1907, pp. 578–580.)
First prize essay, by "Liberals;" second prize essay, by W. H. Allen.

Evans, John S. Blind partisanship and political corruption.

(*In* American magazine of civics, vol. 7, September, 1895, pp. 278–285.)

A **Federal** corrupt-practices act.

(*In* The Nation, vol. 70, March, 1900, page 84.)

Field, David Dudley. Corruption in politics.

(*In* The International review, vol. 4, January–February, 1877, pp. 77–96.)
Also printed in the author's "Speeches, arguments, and miscellaneous papers," vol. 2, pp. 128–149. New York, 1884.

Fox, George L. Corrupt practices and elections laws in the United States since 1890.

(*In* American political science association. Proceedings at its second annual meeting, pp. 171–186. Lancaster, Pennsylvania, 1906. 8°.)

Fraser, Hugh. The law of parliamentary elections and election petitions.

London: Butterworth & co., 1906. xxiv, 438, (24) pp. 8°.

"Six appendices contain respectively some practical suggestions on the conduct and trial of an election petition, the text of the statutes, the election petition rules, an abstract of the principal provisions of the Ballot act, 1872, the case and judgment in *Woodward* v. *Sarsons*, 1875, L. R. 10 C. P. 733, and a series of forms and precedents."

Garvin, Lucius F. C. Corrupt practices in elections.

(*In* Tom Watson's magazine, vol. 1, April, 1905, pp. 203–207.)
Opponents of corrupt practices should fuse together upon a few issues and so effect reform.

George, Henry. Money and elections.

(*In* The North American review, vol. 136, Mar., 1883, pp. 201–211.)

Godkin, E. L. Criminal politics.

(*In* The North American review, vol. 150, June, 1890, pp. 706–723.)
Also printed in the author's "Problems of modern democracy," pp. 123–155, New York, 1896.
With regard to municipal politics, especially in New York.

——— More about money in elections.

(*In* The Nation, vol. 55, Oct., 1892, page 274.)

Gratacap, L. P. Centralization the cure for political corruption.

(*In* American magazine of civics, vol. 9, Oct., 1896, pp. 307–320; Nov., 1896, pp. 400–413.)

Great Britain. *Home office.* Parliamentary elections (expenses) "Return of charges made to candidates at the general election of 1906 in Great Britain and Ireland by returning officers, specifying the total expenses of each candidate (both exclusive and inclusive of returning officers' charges) delivered to the returning officers pursuant to 'The Corrupt and illegal practices act, 1883.'"
